

Final Forum Talk Slated Next Monday

"The Struggle for Asia and Africa," 1957 Fall Forum Series sponsored by the South Bay Adult School, will conclude next Monday, when Dr. Robert G. Neumann lectures on the topic "What Progress in the Middle East?"

The program will begin at 7:45 in the Redondo Union High School auditorium. Free to the public, it is approved for Los Angeles County teacher-institute credit.

Dr. Neumann, currently a professor of political science at the University of California at Los Angeles, has made numerous visits to Europe and the Middle East since 1950. In 1954 he spent a month in West Germany at the invitation of that country's Parliament and is recently returned from Egypt, Lebanon, Syria, Jordan and Israel where he studied this most critical part of the world for our government.

Between trips Dr. Neumann has written three books, "European and Comparative Government," "Constitutions and Constitutional Developments Since World War II," and "American Experiences in Military Government in World War II."

Normandale Halloween Program Set

A Halloween program will be held at Normandale Playground tonight, with activities starting at 6 p.m. with numbers by the Narbonne High School Band.

Costume prizes will be awarded and a program of stunts and contests will be held in front of the bleacher seats.

A bon fire will add to the color and excitement, and teenage boys will try to climb a greased pole to get merchandise prizes donated by local merchants. Carnival booths, with food, will be set up, as will fozz booths.

A spoke house will be under the supervision of the Squires, Normandale girls club, while the high striker will be run by Cub leaders. The Squires will be in charge of the greased pole, while PTA members and the Normandale sports committee members will handle the booths.

Local Barber Watches Odd Gun Accident

A Torrance barber was a witness to a bizarre accident Thursday in which a man was killed by his own rifle when the trigger apparently caught on a piece of wire.

Anthony George Stellabotte, 2813 W. 168th St., was in his barbershop and had just been talking to John David Pfoffer, 27, who was planning to move in next door to the shop at 106th and Western Ave. Pfoffer mentioned that some friends had just returned a couple of his hunting rifles to him.

Pfoffer went out to his car and opened the trunk. Suddenly, Stellabotte and his customers heard a shot and saw Pfoffer fall. They found him dying of a shot through the chest.

Sheriff's deputies said that apparently as Pfoffer moved the loaded gun, the trigger caught on the end of a coil of wire, discharging the gun. Several witnesses reported that there was no one else near the car at the time of the accident. Investigation is continuing.

Torrance Man Asks Damages Of \$110,000

Damages totaling \$110,000 are sought for injuries allegedly sustained in a Gardena traffic accident last June, according to a suit filed in Los Angeles Superior Court by Mervin F. Boll, 44, of 2521 W. Carson St.

In the complaint prepared by Attorney Boris Woolley, Boll was reported to be a passenger in a taxi that was involved in a collision with a car at 182nd St. and Vermont Ave. on June 22.

Defendants named in the suit include the Yellow Cab Co. of Los Angeles and Driver Benjamin Ford.
